

WELCOME TO THE NEW ACADEMIC YEAR LETTER

St. Francis de Sales School Principal's Message

Dear students, parents, guardians, teachers, and members of our entire school family,

It is in great jubilation I welcome you to the start of this new academic year. Our theme for the year is: One Faith, One Light, One Journey. These words capture the essence of what our Catholic School Communities are all about.

One Faith reminds us that we are united by our central belief in God and by the values of love, kindness, respect, compassion and service.

One Light reminds us that each of us carries within us a special gift that was not meant to be hidden but to be shared so that everyone may see. Our light shines through our talents, good choices, positive attitudes and acts of kindness to name a few.

One Journey reminds us that we are never alone on this road we call life. As students, teachers, parents, guardians, and the wider school community we are called to learn together, grow together, celebrate together and support one another through every success and in every challenge.

As we step into this new school year, let us remember that one light can brighten a room, but many lights together can illuminate a whole community. May our faith guide us, may our light shine brightly, and may our journey together be filled with learning, friendship, growth, and purpose.

Let us walk forward with confidence, knowing that with God at the center, we are one school family, united in faith, shining as one light, and travelling together on one journey.

May God bless our students, families, teachers, and staff throughout the school year. May He grant us wisdom, patience, strength, and joy as we embark on this wonderful journey together.

Go Saints!

L. Soncaire
Principal
